

MDL-014 — Approved Supplier List (Framework)

Supplier ID	Supplier Name	Country	Contact	Parts Supplied (MPN list)	Approval Status	Approval Date	Qualification Notes	Lead Time (days)	MOQ	Risk Level	Owner
SUP-001	Espressif Systems (or authorized module distributor)	CN	sales@espressif.com	ESP32-WROOM-32; ESP32-S2	Approved	2025-10-05	Manufacturer datasheet, reference layout, CoC on file	14	100	Low	Design Lead
SUP-002	Texas Instruments (or authorized DRV distributor)	US	sales@ti.com	DRV8825 (TI/Pololu MPN variants)	Approved	2025-10-06	Datasheet, thermal profile; sample parts passed FAI	10	50	Low	Design Lead
SUP-003	Local PCB Fab Co.	US	contact@localpcb.com	PCB Fabrication (2-layer, 1.6mm, HASL/ENIG)	Approved	2025-10-12	IPC class, sample PCB, copper thickness verified in FAI	14	10	Medium	Manufacturing Lead
SUP-004	Contract Assembly House	US	ops@asmhouse.com	PCB assembly (SMT, THT, 0201 capable)	Conditional	2025-10-20	Process flow and solder profile reviewed; trial run required	21	10	Medium	Manufacturing Lead
SUP-005	Digi-Key Electronics	US	support@digkey.com	Passives; connectors; regulators (MPN list in dossier)	Preferred	2025-10-05	Distributor traceability and lot reporting; rapid fulfillment	3	1	Low	Procurement
SUP-006	PCB Stencil Supplier	US	sales@stencils.com	Solder paste stencils	Approved	2025-10-15	Dimensional inspection report; alignment fixtures provided	10	5	Low	Manufacturing Lead
SUP-007	Thermal Interface Supplier	CN	sales@thermco.com	Heatsinks, thermal pads	Approved	2025-10-18	Material certs and dimensional samples on file	14	10	Low	Manufacturing Lead
SUP-008	Contract Test Lab (EMC pretest)	US	lab@emctest.com	EMC pre-cert testing services	Approved	2025-10-22	Scope of work and test capability verified; NDA on file	21	N/A	Medium	QA Lead

Notes for use:

- Add full MPN lists and supporting qualification files to each supplier's folder under /manufacturing/supplier-qual/{supplier}/.
- Update Approval Status to "Preferred", "Approved", "Conditional", or "Removed" and record CCRs for any changes.
- Track lot numbers and CoC files in procurement records for each PO.
